 the month of April!**

## Class Descriptions :

**AM Exercise** - Energetic cardio workout combined with strength training. Great for all ages, especially 50 +.

**Awesome Abs and Butt Blast** - Half hour of abs, half hour of butt - simple!

**Ballet** - A basics level class. No experience necessary. Ballet shoes or socks.

**Body Sculpt** - A weight training class that will sculpt and tone your whole body, incorporating free weights, balls, bars and your own body weight.

**Cardio Fusion** - A high energy multi-impact aerobics class combining traditional aerobics with easy to follow dance-like moves.

**Cardio Sculpt** - Sculpt your body while you burn w/aerobic dancey moves!

**Fun & Fitness** - An aerobic workout free of jarring movements. Improve balance, stamina & strengthen your muscles, bones, & heart. Designed for ages 50 +, or anyone just getting back to fitness.

**Nia** - A mind/body practice that fuses dance, martial arts and healing arts, this class will tone and strengthen to fun music and spirited moves.

**Sit & Get Fit!** - Chair-based exercises focusing on proper form. Gentle, designed for senior adults or anyone that is getting over an injury.

**Stretch and Strength** - Release tension for flexibility while toning muscles.

**Total Body Tune-Up** - A combination of upper and lower body resistance workout to tone and sculpt your whole body.

**Ultimate Body Conditioning** - Beginning w/a cardio warm-up, Jeff will take you through pilates & yoga moves plus free weights for your ultimate body.

**Weight Training** - Upper body strength training class using free weights, cables, balls and body weight.

**YogaSculpt** - Uses breath work, yoga flexibility & core sculpt. Feel lengthened while strengthening midsection & core. For beginners & yoga enthusiasts.

**Zumba** - A fusion of body toning moves with easy to follow dance steps set to Latin rhythms. Combines fast and slow rhythms with interval training.

**Pilates Mat** - A series of mat-based exercises for strength & flexibility.

**Pilates Plus** - Build core strength & tone all-over with the use of props.

**Gentle Yoga** - A slower paced, less rigorous, softer class for all ages.

**Hatha Flow** - Work on holding poses and maintaining good alignment.

**Iyengar Yoga** - Based on the teachings of living Yoga master BKS Iyengar, focusing on strength, flexibility & alignment.

**Vinyasa Yoga** - Flowing sequences of poses, emphasizes breath awareness.
