**** Community Classes -
 only \$13 per class for
 the month of Feb!**

Class Descriptions :

AM Exercise - Energetic cardio workout combined with strength training. Great for all ages, especially 50 +.

Awesome Abs and Butt Blast - Half hour of abs, half hour of butt - simple!

Ballet - A basics level class. No experience necessary. Ballet shoes or socks.

Body Sculpt - A weight training class that will sculpt and tone your whole body, incorporating free weights, balls, bars and your own body weight.

Cardio Fusion - A high energy multi-impact aerobics class combining traditional aerobics with easy to follow dance-like moves.

Cardio Sculpt - Sculpt your body while you burn w/aerobic dancey moves!

Fun & Fitness - An aerobic workout free of jarring movements. Improve balance, stamina & strengthen your muscles, bones, & heart. Designed for ages 50 +, or anyone just getting back to fitness.

Nia - A mind/body practice that fuses dance, martial arts and healing arts, this class will tone and strengthen to fun music and spirited moves.

Sit & Get Fit! - Chair-based exercises focusing on proper form. Gentle, designed for senior adults or anyone that is getting over an injury.

Stretch and Strength - Release tension for flexibility while toning muscles.

Total Body Tune-Up - A combination of upper and lower body resistance workout to tone and sculpt your whole body.

Ultimate Body Conditioning - Beginning w/a cardio warm-up, Jeff will take you through pilates & yoga moves plus free weights for your ultimate body.

Weight Training - Upper body strength training class using free weights, cables, balls and body weight.

YogaSculpt - Uses breath work, yoga flexibility & core sculpt. Feel lengthened while strengthening midsection & core. For beginners & yoga enthusiasts.

Zumba - A fusion of body toning moves with easy to follow dance steps set to Latin rhythms. Combines fast and slow rhythms with interval training.

Pilates Mat - A series of mat-based exercises for strength & flexibility.

Pilates Plus - Build core strength & tone all-over with the use of props.

Gentle Yoga - A slower paced, less rigorous, softer class for all ages.

Iyengar Yoga - Based on the teachings of living Yoga master BKS Iyengar, focusing on strength, flexibility & alignment.

Vinyasa Yoga - Flowing sequences of poses, emphasizes breath awareness.
